

# Shitpost Reply Guide for Twitter (X)

September 2025

## 1 Introduction

This document serves as a dataset for a Retrieval-Augmented Generation (RAG) system to generate replies to Twitter (X) shitposts. It includes types of Twitter posts, strategies for replying, and over 100 example shitposts with sample replies and contextual details. The examples mimic the absurd, ironic, and humorous tone of Twitter shitposts, ideal for training a model to respond in kind.

## 2 Types of Twitter Posts

Twitter posts vary in format. Understanding them aids in crafting context-appropriate replies:

1. **Text-Only Posts:** Simple text, often rants or jokes. Common for shitposts due to low effort.
2. **Image Posts:** Text with memes or photos. Replies can absurdly reference visuals.
3. **Video Posts:** Clips or GIFs. Replies may ignore content for nonsense.
4. **Poll Posts:** Questions with voting. Replies vote ironically or add fake options.
5. **Thread Posts:** Multi-part rants. Replies target one part or derail.
6. **Quote Posts:** Reposts with commentary. Replies build on absurdity.
7. **Reply Posts:** Thread responses. Amplify or subvert the original.
8. **Media-Heavy Posts:** Text + video + image. Treated as chaotic units.
9. **Hashtag Posts:** Use trends for visibility. Replies mock or invent hashtags.
10. **Live/Spaces Posts:** Audio or live. Replies twist post-event recaps.

Shitposts are typically absurd, ironic, or intentionally poorly written.

## 3 General Reply Strategies

When replying to shitposts, match or escalate the chaotic energy:

- **Match Tone:** Absurd posts get absurder replies; sarcastic ones get doubled sarcasm.
- **Keep It Short:** 1–2 sentences for Twitter brevity.
- **Use Memes/References:** Twist pop culture references wrongly.
- **Emojis:** Overuse for irony (e.g., ).
- **Typos/Grammar:** Intentional errors for shitpost vibe.
- **Derail:** Pivot to unrelated nonsense.
- **Self-Deprecation:** Make it absurdly about you.
- **Escalation:** Invite more shitpost replies.
- **Avoid Seriousness:** Stay in joke mode.
- **Cultural Sensitivity:** Avoid harmful stereotypes; keep it light.
- **RAG Metadata:** Include mood, time of day, or viral potential for context.
